

Technical Information

Round Base Ear Tag T906

This animal ear tag is a kind of tag that designed exclusively for the animal breeding and slaughter management.

The normal color of T904 is yellow. The base color of each ear tag can be customized if minimal quantity order (MOQ) is over 5000 pcs. And another optional choice is the printing marking process if your logo, QR code, English words or number need to be marked on the surface. The effects of our marking is recognized by NLIS and better than normal laser printing process after passing Australian aging test of three-year-outdoor-experiment.

Adopting the over molding process, it is waterproof and anti-shedding. Coupled with Fofia Tech other series, this ear tag provides a beneficial solution in animal identification, animal breeding and food (meat) safety & traceability management.
